## DSV in Spain keeps growing

Effective 28 June, DSV's Road and Air & Sea offices in Madrid will move to a new location in San Fernando de Henares.

This new DSV facility has a total of 9,500 sqm space and is strategically located close to the main motorways. The building is Breeam \* certified and thus provides a sustainable environment; it is energy efficient with low water consumption and low CO2 emissions compared to conventional buildings.

*\*) Breeam = Building Research Establishment Environmental Assessment Method.*

Office space in the new building comprises 2,700 sqm and accommodates 120 employees. With the new premises, we are able to offer improved services to customers and partners and our capacity has increased.
