## DSV supports Red Cross relief efforts in Beirut

Following the devastating explosion in Beirut, DSV has decided to support the Red Cross / Red Crescent's relief efforts with a donation.

The number of devastating human losses and wounded is rising, and up to 300,000 people have become temporarily homeless. Red Cross is on the scene providing much needed relief, and we at DSV have decided to support the effort with a financial donation.

Red Cross is fighting against the clock to dig people out of the rubble caused

by the explosion. We are proud to support the important work they do for the people of Beirut.

### **Facts about the Beirut catastrophe:**

- Lebanese authorities have officially declared a two-week state of emergency in Beirut.
- Lebanese Red Cross is providing immediate medical attention in established first aid units.
- Red Cross teams are distributing food, water, hygiene kits, mattresses, masks, gloves and other relief items for exposed families.
- Lebanese Red Cross is providing temporary sheltering for 1,000 families and expect to increase that number to 10,000 in the coming weeks and months.

DSV Panalpina sends its sympathies and heartfelt condolences to the victims of the explosion in Beirut.
