# Panalpina resumes operations in Houston

After the catastrophic flood that Hurricane/Tropical Storm Harvey caused in Texas, we are pleased to announce that the Panalpina Business Unit in Houston will resume operations on Thursday, August 31, as of 8:00 a.m. local time.

Our facilities are untouched, dry, and with power. We are extremely grateful that all of our associates remained safe during this difficult time and have set an internal donation web page to support both our community and our colleagues in distress. We look forward to the full recovery in Texas and Louisiana.
