About Panalpina

The Panalpina Group is one of the world's leading providers of supply chain solutions. The company combines its core products – Air Freight, Ocean Freight, and Logistics and Manufacturing – to deliver globally integrated, tailor-made end-to-end solutions for 12 core industries. Drawing on in-depth industry know-how and customized IT systems, Panalpina manages the needs of its customers' supply chains, no matter how demanding they might be. Project Solutions is a specialized service for the energy and capital projects sector. The Panalpina Group operates a global network with some 500 offices in around 70 countries, and it works with partner companies in another 100 countries. Panalpina employs approximately 14,500 people worldwide who deliver a comprehensive service to the highest quality standards – wherever and whenever.
